NUMEROS

n-First

Numeros n-First is a Crossover Utility Vehicle engineered tough to take on any road. It combines the confidence of a motorcycle with the convenience of a scooter and the running economics of an EV.

Agile and versatile, Numeros n-First CUV takes on work, errands, family and everything your day demands.

Every Road. Every Role. 2W Reinvented.

POWER OF TOUGHNESS

Good roads, bad roads, no roads, flooded roads, narrow roads and everything in between. Numeros n-First CUV is engineered tough to take on the unpredictability of any road with confidence.

POWER OF PURPOSE

The stability and confidence of a bike with the utility and convenience of a scooter. Built to keep you moving through every role you play. One vehicle. Many roles.

POWER OF AGILITY

Sleek design. Easy to ride. Easy to manoeuvre. Easy to park. Numeros n-First CUV handles tight turns with ease. Tough enough for the road, easy enough for everyday life.

ENHANCED INTELLIGENCE

n.ai
Numeros Intelligence Engine

Your n-First CUV comes enabled with smart features

Live location and last parked status
Always know where your n-First is.

Emergency alert
Configured fall alert notifications.

Theft and tow detection
Gives you peace of mind.

Trip history and ride statistics
Useful insights when you need it.

Geo-fencing
Enable where your vehicle can go.

Service and RSA scheduling
Book service or roadside assistance.

…. and many more.

ENHANCED ASSURANCE

NUMEROS
PROTECT

Our unique program backed by financial assurance on vehicle uptime.

If your Numeros n-First CUV experiences downtime, we will fix it within 24 business hours.

If not, we will provide a standby vehicle.

If not, we will pay you every day until your CUV is back on the road.

Our confidence is backed by years of engineering, extensive testing and millions of kilometres of validation.
